- The aviation and aerospace company to be a Gold sponsor of the 8th edition of Arab Aviation Summit in Ras Al Khaimah, from 21-23 March 2021.
- The summit to be the world's first live aviation and tourism event since the pandemic.
- Vaayu Group's participation reflects its vision of rethinking aviation solutions for the future.

Ras Al Khaimah, United Arab Emirates – 13 March 2021: Vaayu Group, the aviation and aerospace company with a keen eye on the future, announces that it has become a Gold Sponsor of the 8th edition of the Arab Aviation Summit, taking place in Ras Al Khaimah from 21-23 March 2021, themed 'Arab Aviation in the New Normal'. The sponsorship of the Arab Aviation Summit reflects Vaayu Group's vision of rethinking aviation solutions for the future. Vaayu Group will demonstrate their support for the Middle East aviation industry's recovery by engaging in an open dialogue involving the leading players from aviation, travel, and tourism. Experts from across the globe will descend on Ras Al Khaimah for the two-day event to discuss the challenges and opportunities posed by the pandemic and its immediate aftermath. The aviation, aerospace, and tourism sectors will have to prepare for a robust long-term economic recovery.

Emad AlMonayea, Chairman and President, Vaayu Group, said, "The aviation industry has had to take many hits during the COVID-19 pandemic. However, our resilience is tougher than the tough times. We are all geared up to command the skies once again. Vaayu Group has just completed a decade, and we are going with full speed ahead to recover the aviation industry by leveraging our growth through organic and inorganic strategies."

Vaayu Group was established in 2011 and has been delivering tangible value to all its stakeholders over the last ten years. It is an international company, headquartered in Ras Al Khaimah, UAE and operates in three continents with presence in Washington, North Carolina, and Texas in the USA and Singapore. The company has grown organically and through acquisitions over the last decade. Its global businesses now straddle large swathes of the aviation industry under a competent and professional team. The company is made up of 110 highly-skilled and professional personnel across four distinct service lines

Maintenance, Repair and Overhaul (MRO), Flight & Maintenance Training Organization, Unmanned Aerial Vehicles, and Aircraft Leasing.

As the aviation industry takes off again, the inspiration of our home and Emirate will guide us as we climb the skies of the world's aviation business.
